for enforcement. Mayor Harrison has sent copies of an opinion by Corporation Counsel Tolman, which will compel even the Chicago Athletic association to discontinue its exhibitions. The corporation counsel was asked some time ago by the Mayor for an opinion of the law governing boxing is Chicago, and the answer, received today, carried the law to an extent at which even Mr. Harrison expressed surprise. Not only does the corporation counsel maintain that nrize-aghting anywhere within the State is a felony, and that witnesses are guilty of a miscemeanor, but he shows that by law, where the elation of battle and the exalization of the boxers to perform before the public, such exhibitions are illegal where the public is invited to attend, by either paying a fee or entering free of price.

"I never realized to what lengths the law goes against boxing," said Mayor Harrison tonight, "until I received the opinion of the law department today. I have sent contex of the opinion to all the clubs which have been conducting boxing exhibitions, and have ordered the police to carry out the law. No favors will be shown to any of the clubs, no matter what the nature of the organization may be. The opinion will be enforced as to all." RULES FOR YACHT RACE.
